We're Also Buying... Oil Paintings, Autographs, Silver, Old Photographs & Other Objects of Art.

FIND THOUSANDS OF DOLLARS

You could have thousands of dollars worth of jewelry or watches gathering dust in a dresser drawer or safe deposit box.

Maybe you have inherited items you never really liked, or perhaps you have some jewelry that no longer reflects your life-style.

Nearly everyone has something they don't need and ought to sell. This is your chance to get the money out of your unwanted items. Come see us this week.

WE'RE FRIENDLY AND FAMILIAR

We know there are many people in this area who have thought about selling their unwanted jewelry, but didn't know where to go to sell it.

Why not bring it to us. We're a familiar and friendly place that has been helping people dispose of their unwanted valuables for generations.

NATIONALLY KNOWN APPRAISER

We have invited a nationally known expert and buyer of antique and estate jewelry to join our qualified appraisers this week.

Together we'll be making top cash offers for old jewelry, diamonds, wristwatches, pocket watches, antique sterling silver, and other objects of art. Come visit us.

ALSO BUYING ART AND AUTOGRAPHS

The visiting buyers are also nationally known purchasers of art and autographs. Bring in your unwanted paintings, sculpture, historical documents, and vintage photographs, or any art object that you think might have value. This is your chance to take advantage of high market prices.

PRIVATE AND CONFIDENTIAL

We always do our best to buy at the top prices and we always pay immediately. All transactions are strictly confidential. Of course, there is never any charge for our assistance or advice.

BRING EVERYTHING

Don't make the mistake of thinking your things aren't good enough for us. We have helped many people discover items of great value among the most unlikely things.

Whether you think your items are worth a little or a lot bring them to us. Maybe we'll help you discover a treasure this week.

DON'T FORGET TO BRING WATCHES

Men's interesting old wristwatches are now collectable. Here's your chance to get an offer on your unused watch from one of America's foremost watch buyers without having to send it anywhere by mail. Remember - watches need not be running.

The items pictured here are typical of the unwanted jewelry items people are always bringing us. A group like this could bring as much as \$2,000 or more.

Check to see if you have any of these items we're buying.
